FUNDAMENTAL DOCTRINE

Repentance, Baptism in the name of Jesus Christ for the remission of sins, and the infilling of the Holy Ghost with evidence of speaking in other tongues as the Spirit gives utterance (Acts 2:38)

FEATURE CHURCH - APOSTOLIC LIGHTHOUSE of WILLIAMSBURG, KY

Four years ago Bro. and Sis. Hall felt a stirring within their souls to begin a work in Williamsburg. Soon the Lord led Bro. and Sis. Russ Roark and their three daughters into the truth. What a blessing they have been! Through the good times and the bad, they have remained faithful in the love of God.

Two years ago the Lord saw fit to meet another need for the Williamsburg church. Bro. and Sis. Gene Morrison and their family moved from North Dakota to help in the church. Until that time they had been without music. God will supply all of our needs if we will wait patiently upon His time. The foundation was ready.

Recently the church was able to move into another building. They are doing extensive renovation on a warehouse. What a beautiful church it is becoming! The building is 315 feet long and 47 feet wide. Presently they are putting a new roof on the building.

In February the Apostolic Lighthouse Church was blessed with a power-packed, two week revival with Bro. and Sis. Doug White. Two were baptized and two received the Holy Ghost during the revival. Since

then the new converts have been coming in regularly. Williamsburg is currently averaging 50 in Sunday School, but there is no stopping point in sight. Since February, 17 have been baptized; 16 have received the Holy Ghost; and 3 have been renewed in the Spirit.

During the revival with Bro. White, Bro. Herbert Bray was healed of black lung and emphysema. What a witness of God's healing power! So many others have felt God's Spirit. The door to Cumberland College is now open to the truth since Sis. Norma Perkins, a Psychology/ Business Administration major has turned her life over to the work of God.

Home Bible Studies have

also been a valuable part of the outreach program of the Apostolic Lighthouse.

Concerning outreach, this assembly has organized a systematic and personal endeavor they identify as the "Andrew Program". A brief outline of this approach to reach the lost is as follows. Every guest of this assembly completes a visitor's card, and it is filed. The coordinator assigns three people to make personal contact with that visitor within one week of that date. Bro. Hall sends a letter to the visitor to express his appreciation for their visit. At the same time, the three individuals mentioned will complete the follow up by (1) contacting visitor by phone (2) making a personal visit (3) sending them a note. As a result the visitor begins to feel that their visit was appreciated! Such an outpouring of love will not be soon forgotten.

The aggressive leadership of Bro. and Sis. Hall has taken this blossoming church to the harvest field where the love for the lost finds life's greatest rewards.

May the fires of Revival continually blaze among this dedicated people.

THE SENIOR BIBLE QUIZ TEAM from the Apostolic Holiness Church of Dawson Springs won the Senior Bible Quiz tournament held in Lexington, Ky. Conquerors President and pastor of this first place team presented the team with a check for **\$1000.00** from the Youth Dept. to cover a portion of their travel expenses to the National Conference in Anaheim, Calif. where they did an outstanding job as they represented Kentucky on the national level. **PICTURED ABOVE:** L-R Pastor and Mrs. David Bayer, Steve Lanham (Captain), Johnny Cranor, Kenneth Johnson, Bro. & Sis. GENERAL CONFERENCE 1984 - ANAHEIM, CALF. is the setting of the worship service pictured above. Each night the convention center overflowed with pentecostals from around the world. Each service was blessed of God in a special way. Kentucky was well represented at this conference. Pictured at right are those I caught before losing my camera.

or she was able to understand it. The angel told her to go to Middlesboro to the First Apostolic Church and let Bro. Leach pray for her. The angel assured Marcie that she would be healed.

Monday morning Marcie's parents took her to the doctor. Marcie refused to go in. She explained the dream to her parents and they allowed her to come to our service. Marcie did come and she was anointed. Her faith was great.

Just today, Marcie's aunt, Sis. Nancy Evans from our church, called to let us know that Marcie is completely healed. She has not had any pain since that day. Praise God!

He is able to do all things. The Bible tells us that if we will lift Him up, then He will draw all men unto Him. If we do our part He will do more than we could ever ask for. There is just something about His name. Middlesboro just loves to praise the name of Jesus!

U.P.C. of PAINTSVILLE

Praise the Lord!

We had our first year anniversary picnic Saturday, August 11, 1984 at the Dewey Dam Spillway with a cookout and a great time in the Lord. Our first year here in Paintsville has been great.

We are still averaging approximately 14 in our morning services and 16 in the evening services.

We are looking for a greater time this next year, with a great increase in our labors here.

We also wish to express our thanks to the U.P.C. of Morehead for keeping us on another year as Partners in Home Missions.

Thank you for your prayers during my recent stay in the hospital at Huntington, West Virginia. I appreciate all those who came to visit while I was hospitalized.

Christian Love,
Bro. & Sis. James Sturgill
and family

MY THOUGHTS ABOUT THE CHURCH

I had a precious grandmother who was an example of a saint of God. At the time of her death in 1948, there were five family members, including in-laws, in the Church. Today in 1984 there is somewhere in the 70's. This includes two of my granddaughters, making five generations in the Church.

Our Pentecostal ladies have been so faithful down through these many years, being examples of godly women.

I'm so thankful our ladies are writing books and articles, and special meetings for women. There is a great need. I have been helped as a result of these endeavors.

What is your concept of the Church? Is it just a social organization or is it the most important thing in your life?

The world is so busy and lives in such a turmoil, but oh, the atmosphere of the Church! How beautiful.

As long as Isreal, God's chosen people stayed within the boundries God made for them, they were protected.

In times like these, I'm thankful we can have peace in our minds and rest for our souls.

There is security in the church and much, much more. There is beauty, love, health, and prosperity. What more could we desire? And to think He chose me to be a member of this great body of believers.

Oh, I love it! Church of Kentucky, I love you.

HAVE YOU EVER BEEN TO HEAVEN?

by Linda Leach

Recently I was standing at the close of another service, waiting to be dismissed when a tiny hand tugged at mine. I was already busily thinking about everything that needed to be done in the next couple of days. The little hand finally pulled me back to the service. The owner of the hand, Cindy Williams, is a five year old who is becoming a faithful member of our Beginner's Sunday School class. When she finally had my full attention she began to talk. "I can't wait to go up there, can you?" While I was figuring out what "up there" was she continued, "It'll be so much fun!" I smiled and agreed that I wanted to go to heaven too, but she was not finished. "Does He have swings up there? Slides? Teeter-totters? I know how to slide." Does God have slides? Revelation sure does not mention any. What do you say to a child? Well, I assured Cindy that heaven will be lots of fun for all of us and you just never know what type of playground there will be. (She was sure that meant yes.) Still more. "Does He have any food? Candy?" Hmm, yes, I was sure He had food for the marriage supper. Well, if candy really makes you happy, I'm sure He will want you to be happy. Cindy was thrilled! I was so sure of myself,

I returned her beaming smile. "Oh, you've been there before!" What faith! No, I haven't been to heaven... but I've sure been close sometimes. Cindy was still content with my answers even though I had never really seen heaven.

She had complete trust in my knowledge. For the first time in my life I could feel and understand Mark 10:14. "Suffer the little children to come unto me, and forbid them not: for of such is the kingdom of God." My heart was stirred and changed by the faith of a five year old. I felt inspired. I felt renewed. God forgive my doubts. Oh, the wasted prayer time I have spent asking God to help me understand things when I should have trusted Him. "Except ye be converted and become as little children, ye shall not enter into the kingdom of heaven." (Matt. 18:3)

Never as a child did I question Mom or Dad about food, clothing, jobs, life goals, or a million other things. I was so totally dependent upon them, that I wholly trusted them. If only I can learn to trust God so totally. He has done so much. Thanks Cindy for teaching me a lesson that God has been trying to show me all along. No, I've never been to heaven... but I've sure been close sometimes.
